

Helping Hands Home Support Services

Helping Hands provides in-home support services such as cleaning, cooking, errand services, grocery shopping, companionship, respect for caregivers, continuing care companions and some transportation. We are a private business with bridging to public funding for clients through Veteran Affairs Canada, Alberta Brain Injury Network, and Office of the Public Guardian & Canadian Paraplegic Association. Helping Hands was established in 1999 and services Drumheller, Hanna, Three Hills and Red Deer.
