Mother Mountain Tea House & Restaurant has been in operation since 1996. The old Crown Lumber building was first built in 1912, and after it closed its doors sat empty for 20 years. Today, not only is the establishment a destination for tourists and locals looking for a great meal and during the 1999 Western Premier's Conference provincial leaders dined at Mother Mountain Tea House. The restaurants' historic location and its flavourful Alberta fare was mentioned in the Food for thought magazine in summer 2007 and the AMA travel magazine in Spring 2009. We invite you to experience what we have to offer in the Village of Delia only 30 minutes East from Drumheller and 20 minutes West from Hanna.
